NOBR 442 & 14-6-48.

Requests sanction &
accept the tender of Messrs.
M. Abdul Samad Sons for
Rs 31, 118-9-10 for the supply
of "Diet articles and other
necessaries" required for the
Beggar colony for the year
1948-49:

1) submitted ~~with the proceedings~~
~~referred~~

The following four tenders
are reported to have been received
in response to the notification
issued in this behalf:-

	Name of the Tenderer	Amount of the tender Rs
1)	~~Sri~~ Sri K. Munivenkata Swamiah.	21,471-2-
2)	Sri. M. Aswathiah setty	28,652-1-8
3)	M/s. C. Mariappa & Sons	29,022-16-0
4)	M/s M. Abdul Samad & Sons	31,118-9-10

1) As the tender of M/s. C. Mariappa & Sons. not
said to have been accompanied by the earnest deposit of Rs 500/- in treasury receipt, as required by rules, it is proposed to be rejected.

2) Though the tender of Sri. K. Nanjundaswamy which is Rs 21,47/- is the lowest of the tenders received, it is not recommended because the rates quoted by this tenderer when confirmed with those of the others with the nearest rates, are said to have no reference to the prevailing market rates. It is stated that he will not be in a position to supply the articles at the rates tendered by him.

3) As regards Sri. M. the next lowest tenderer who is next to the lowest tenderers received, it is stated that he is said to be not a dependable contractor.

4) In the above circumstances, it is recommended that

the tender of M/s Abdul Samad for Rs 34,118-9-10 - which is the highest of the tenders received - may be accepted. This recommendation is submitted for orders. The previous reference re the contract for the supply of diet during the year 1947-48 is also putup and flagged M.

7 It is the business of the tenderer to look to the rate at which he offers to supply on the ground that that rate is less than the market rate, the lower

tender cannot be rejected and the higher accepted. Adequate Security for the due performance of the contract has to and will be taken from any contractor. That being so, the lowest tender has to be accepted, leaving the contractor to stick to his terms. The proposal to accept the highest tender is not financially acceptable.

28/6/48

I have gone through the Comparative Statement of the tenders given by the Contractors. It is noticed that the rates given by the Covered Tenderers are more imaginary than real as the following rates are given with them among others:

Arrow-root	0—1—0 per lb.
Sago	0—1—0 "
Tea	1—2—0 "
Butter Scotch	0—6—1 "
Cocoanut	0—4—0 each.
Coriander leaves	0—0—1 per bundle.
Ghee	0—6—0 per lb.
Shaving Brush	0—1—0 each
Castor oil	0—1—0 per seer.
Zinc Bucket big size	0—6—0 each.
Lantern	0—6—8 "
Charcoal	30—0—0 per ton.

There is no room for suspicion beyond any shadow of doubt that the articles mentioned above can never be obtained for the rates

7656

quoted by the Contractor. If as stated by the Sir secy his tender is accepted the refund would surely be not the contractor will fail to supply the indented articles, then the conditions of the Contract will have to be enforced and finally the Contract will have to be called for. All fresh tenders will have to be called for. This means unnecessary hurry and trouble to the Distributors, which will ~~be~~ affect the ~~traders~~ at a distance of 6 miles from the city limits. In such a case practical considerations must outweigh purely theoretical principles.

10) Even the next two lowest tenders can also be accepted. In one case the required deposit has also been made. In the other case the contractor can also be called for the reasons given in the Secretary's letter.

11) Under the above circumstances the tender of M/S M. Abdul Samad Sons may also be accepted.

No. 15/6
Date Sir
GOVERNMENT OF MYSORE

I have the honour to state that tenders for the supply of "Diet articles and Other Necessaries" required for the Beggar Colony at the 6th Mile on the Bangalore - Magadi Road for the year 1948-49 were calle for in this office Detailed Tender Notification No.B.R.387-1 dated 1-5-1948.

Abstract tender notification No.BR.387 dated 1-5-48 regarding the above was got published in the Mysore Gazette on the following dates: (i) 6th May 1948; (ii)13th May 1948 and (iii) 20th May 1948; and also published in the following English, Urdu and Kannada Local Newspapers on the dates noted against them:

i)	Daily post	... 8th & 15th May 1948
ii)	Alkalam	... 7th & 14th " "
iii)	Tainadu	... 5th & 12th " "
iv)	Janavani	... 6th & 13th " "

As per tender notification, the last date and time for the receipt of tenders was 24th May 1948 between 4 and 4-30 P.M. and the date and time for opening the same was the same date between 4-30 and 5 P.M.

Only four tenders were received from the marginally noted*) person in due time and the sam were opened in their presence. It was foun that the tender of M/S.C.Mariappa & Sons was not accompanied by earnest deposit of Rs.500/- in treasury receipts, as required under clause 5 of the Detailed Tender Notification, whereas in the case of the other tenders, they were accompanied by the same. Thus the tender of M/S.C.Mariappa & Sons, who are the contractors for the current year, is liable to be rejected.

1.	Sri K.Munivenkataswamiah	... 21,471- 2- 0
2.	Sri M.Aswathiah Setty	... 28,652- 1- 8
3.	M/S C.Mariappa & Sons	... 29,022-14-10
4.	M/S M.Abdul Samad Sons	... 31,118- 9-10

All the above tenders were checked and a Comparative Statement is got prepared and sent herewith. It is seen from the totals of the enclosed statement that the tender of Sri K.Munivenkataswamiah is the

lowest (Rs.21,471-2-0) and that of M/s. Abdul Samad Sons is the highest (Rs.34,118-9-10).

When the rates quoted by the contractor Sri P. Venkataswamia are compared with those of the others or with the market rates, it is found that the rates quoted by him have no reference to the market rates. He seems to have quoted the rates without reference to the actual rates prevailing in the market and he will not therefore be in a position to supply the articles tendered for.

Sri M. Ramaiah Setty had also tendered on the previous occasion But he is said to be not a dependable contractor.

In the circumstances, I recommend that the tender of M/s. Abdul Samad Sons for the supply of Diet and Other Necessaries to the Beggar Colony for the year 1948-49 may be accepted. The rates quoted by him for the several articles generally correspond to those of the market rates and he will be in a position to supply good articles in time.

Copies of the abstract and detailed tender notifications each of the referred to above and two copies of/tender lists received from the tenderers are herewith enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE GOVT.
